

Welcome to Mondial Travel Select

Spanning three decades Mondial Assistance in the UK has specialised in providing seamless transparent brand support services for the travel insurance industry. Currently Mondial is one of the largest UK travel assistance operators with in house underwriting capacity.

So why do millions of people rely on Mondial Assistance for travel assistance? It might be our extensive global network of travel experts and service providers. Perhaps it is due to our presence in 28 countries and five continents. Or maybe, it is our depth of experience in providing quality travel assistance.

Key Features From Mondial Travel Select

- Travel Insurance product designed specifically with the employment benefit market in mind.
- A flexible product that allows staff to pick cover levels that fit their needs.
- Drawing on over 30 years of travel insurance experience to give a seamless professional service from start to finish with an intervention every 2 seconds around the world.
- Supporting IT platforms and infrastructure to facilitate administration functions already in place and in use by the employee benefit market.
- Excellent cover levels including activities such as scuba diving, golf activities and work travel all covered as standard.
- High levels of cover including £10 million medical expenses, £20,000 legal expenses and up to £3,000 cancellation & curtailment cover.
- MI data interrogation available to allow everyone to work with real time figures and aid in fast, efficient data delivery.
- A clear medical health policy which provides various options for covering pre existing medical conditions.

Mondial Travel Select

Flexible Travel Benefit Solutions from Mondial

How can we help?

With over 30 years of experience within the travel industry, Mondial has created a tailor made policy specifically for the Flexible Benefit market which includes features such as:

- Option for staff to opt in and out of non core cover levels such as winter sports cover.
- Business cover included as standard along with diving and golf equipment cover.
- Staff can flex cover levels up or down upon a lifestyle change event.
- Online claims functionality enabling staff to take control of any claims quickly and efficiently.
- Generous cover levels at competitive prices.*
- A complete one stop solution, creating increased efficiencies and seamless management of overseas assistance and repatriation.

A Truly Global Presence to Support You and Your Staff

37 round the clock operation centres in **28** countries spanning all continents.

9,817 staff speaking **40** languages.

A worldwide network of **400,000** service providers including medical professionals and institutions.

Additional support is provided by **240** medical and technical correspondence enable us to intervene in every country around the world.

Competitive Cover Levels Included as Standard*

We have designed a bespoke travel product that includes activities such as scuba diving and golf cover as well as scheduled airline failure which are covered as standard. In addition to this, a winter sports pack is available at an additional premium to cover the insured and their family for up to 21 days skiing.

We can tailor the individual benefits of cover for an individual policy but our typical policy cover is:

Cover	Limit
Medical Assistance & Repatriation	£10 million
Personal Liability	£2 million
Cancellation & Curtailment	£3,000.00
Personal Possessions	£1,500.00
Golf Cover	£1,500.00
Personal Money	£500.00
