Twenty years and counting..... Mondial UK staff celebrate 20 years in the business

Recognised by the Sunday Times as one of the of 100 best companies to work for in the UK, it is not too hard to see why two Croydon women have dedicated 20 years of their working lives to Mondial UK.

Debbie Cullen, Operations Recruitment Manager and Marilyn Hutchings, Team Manager recently received their long service awards from Mondial UK at the company's Croydon HQ.

"When I walked through the Mondial doors in 1986, I would never have imagined I would still be here in 2006, but that is the best testament I can pay to the way the company treats its staff" said Debbie Cullen.

"The 20 years have flown by and that is all down to the great characters I have worked with. Here's to another 20 years", confirmed Marilyn Hutchings.

"The invaluable knowledge gained over the past 20 years means Debbie and Marilyn have a deep understanding of the culture and values of our company" confirmed Mike Webb, Managing Director, Mondial UK. "Their dissemination of that knowledge means newer members of the team can learn and develop very effectively. They have both grown with the company and its successes over the years and I am delighted to celebrate their loyalty and contribution to the organisation."
