## **CROYDON BASED MONDIAL UK FULFILS ITS DESTINY**

Croydon based company Mondial UK has announced plans to open a new fulfilment house in order to support its rapidly expanding business. The new facility now open, will replace the current Church Road site and will be located on Stafford Road in the Wallington district of the town.

The company has outgrown its current premises as it continues to go from strength to strength. The Stafford Road site will house both office staff and storage space under the one roof, making a significant difference to the operations efficiency. Staff based at the current site will be relocated to the new site, which covers over 6,000 square feet and accommodates racking up to an impressive five metres high.

The move comes as Mondial UK responds to an increase in business in the motor warranties sector and is in preparation for future customer relationship management opportunities. Mondial UK now employs more than 1000 people across the business and has just been placed 69<sup>th</sup> in The Sunday Times Best Companies To Work For, a highly sought after accolade.

Vyvian Jones, Direct Marketing Manager at Mondial UK, comments 'We are really excited about the new site and it clearly demonstrates how well the business is doing, as well as our commitment to invest in and provide opportunities for people in the Croydon area. We look forward to the benefits the new site has to offer and to build upon the future success of Mondial UK at the new facility.'
