

## **Vehicle Assistance**

As with all of our products, Mondial's motoring assistance programmes are tailored specifically to our client's needs, mirroring the branding of our corporate partners.

Quite rightly, your customers expect the very highest levels of care, none more so in the event of requiring assistance at the home address or roadside. The range of benefits included provides practical help and a real solution to each individual assistance, ensuring that exposure of the client brand remains on a positive level.

Assistance is provided in the event of mechanical or electrical breakdown or pilot error, including loss of keys or running out of fuel.

In addition we provide the following benefits:

### **UK Breakdown Services**

- Accident Recovery
